

Was sagt die wissenschaftliche Literatur dazu?

Auf den folgenden internationalen Kongressen und in den folgenden internationalen Zeitschriften gibt es wissenschaftliche Präsentationen und Artikel zum Chiemgau-Impakt (mit Kurzinhalten):

- 2005 European Journal of Mineralogy 17, zwei Beiträge
- 2008 International Conference Tunguska, Krasnoyarsk (Russland)
- 2008 International Conference Tunguska, Moskau
- 2008 Conference on Archaeoastronomy, Granada (Spanien)
- 2010 Journal of Siberian Federal University, Engineering & Technology
- 2010 Phaethon - Chiemgau; Antiquity 84.
- 2010 Chiemgau impact dating, Mediterranean Archaeology and Archaeometry, Vol. 10,
- 2011 Sinkhole ("Donnerloch") enigma. Cent. Eur. J. Geosci., 3(4).
- 2011 Reply article Doppler et al., Antiquity 85.
- 2011 42nd Lunar & Planetary Science Conference LPSC, The Woodlands (Texas)
- 2011 Chiemgau Impact small craters, Fall Meeting, American Geophysical Union AGU, San Francisco.
- 2011 Soil liquefaction, Fall Meeting, American Geophysical Union AGU, San Francisco.
- 2012 Stöttham impact signature. Mediterranean Archaeology and Archäometry, 12.
- 2012 Enigmatis carbon substances. LPSC, The Woodlands, Texas
- 2012 Chiemgau impact, cultural implications. 34th International Geological Congress, Brisbane, Australia.
- 2013 Chiemgau ejecta. 76th Annual Meteoritical Society Meeting, Meteoritics & Planetary Science, Volume 48.
- 2013 Hapkeite "Moon mineral". 76th Annual Meteoritical Society Meeting, Meteoritics & Planetary Science, Volume 48,
- 2013 Cosmic matter in Chiemgau iron silicides. 76th Annual Meteoritical Society Meeting, Meteoritics & Planetary Science, Volume 48.
- 2013 Saarland und Chiemgau impacts. 76th Annual Meteoritical Society Meeting, Meteoritics & Planetary Science, Volume 48
- 2014 Chiemgau microtektites. LPSC The Woodlands, Texas.
- 2014 Chiemgau micrometer meteoritical impact. Proceedings of mineralogical seminar Syktyvkar, Komi Republic, Russland.
- 2016 Lake Chiemsee tsunami. LPSC The Woodlands, Texas.
- 2017 Chiemgau impact, state of research. Zeitschrift für Anomalistic, 17.
- 2018 Chiemite, first comprehensive article. Acta Geologica Sinica 92.
- 2019 Ground Penetrating Radar (GPR) in Chiemgau craters. LPSC The Woodlands, Texas.
- 2019 Stöttham artifacts in shocked breccias. LPSC.
- 2019 Hapkeite 8 kg iron silicide. LPSC.
- 2020 Chiemgau impact airburst. LPSC.
- 2020 Chiemgau and Czech impacts. LPSC.
- 2020 Chiemite impactite. Yushkin memorial, Mineralogical seminar Syktyvkar, Komi Republic, Russland.
- 2020 Stöttham artifacts, Chiemgau impact dating. Yushkin memorial, Mineralogical seminar Syktyvkar, Komi Republic, Russland.
- 2020 Chiemgau impact Iron silicide meteorites. Yushkin memorial, Mineralogical seminar Syktyvkar, Komi Republic, Russland.
